## ROOM IS NAMED AFTER E. H. WOLFE

Grand Inspector of Lodge Hears  
That he is Signally Honored  
by Unknown Friend.

LETTER FROM O. E. HOLLOWAY

Room in Indiana Masonic Home at  
Franklin Will be Known as  
Edward H. Wolfe Room.

Some unknown friend of Col. E. H. Wolfe's has made arrangements to furnish a room in the Indiana Masonic Home that is being erected near Franklin, Ind. It will be known as the Edward H. Wolfe room.

Col. Wolfe recently received a letter from Dr. O. E. Holloway of Knightstown, chairman of the Home building committee, notifying him that he had just received a draft covering the expense of furnishing a room. Dr. Holloway's letter complimented Col. Wolfe on the honor because it was the last room to be furnished. Many other requests to furnish rooms have been refused.

"I have an idea who paid me this compliment," said Col. Wolfe at his home today, "but I will not say for fear that I might be mistaken."

Col. Wolfe, who has had a singularly active life, is now confined to his home by sickness. Although eighty-one years of age, he has been very free from sickness. He remains in bed during the morning, but generally in the afternoon he will be found sitting up in a chair ready to receive the many visitors who call on him each day.

Col. Wolfe has been singularly honored for his valuable services to the Masonic lodge. He has been grand inspector of the Blue lodge since the office was established, with the exception of about a year. He is the only grand inspector the state ever had. Although the office was created in 1905; he was not appointed until about a year afterwards, the time intervening being spent in arranging the work of the appointee.

The Masonic home will be completed in September, it is now believed. It will consist of an immense administration building, a boys' building, girls' building, hospital and laundry. There were about eighty rooms to be furnished by philanthropic members of the lodge or by subordinate lodges throughout the state. Col. Wolfe said today that the Eastern Star chapters of the state would have furnished them, but the committee wanted to give others a chance.

## J. T. ARBUCKLE HONORED

Rushville Man Nominated For I. O.  
O. F. Grand Representative.

(By United Press.)

Indianapolis, Ind., May 18.—J. T. Arbuckle of Rushville was nominated for grand representative for one year by the Indiana grand lodge I. O. O. F. at its semi-annual session here today. Nominations made today will be voted on at the November meeting. Arbuckle will be unopposed. He is a former grand master.

It has developed that Mrs. Nancy Furry, who fell on the sidewalk in front of F. A. Caldwell's store about 3:30 o'clock yesterday afternoon, suffered a stroke of apoplexy. She lies in a stupor all the time, but is conscious enough to recognize voices when spoken to. Her left side is affected. Mrs. Furry is eighty-one years old.

## TOO MUCH HUMAN FREIGHT

Flat Boat Carrying 6 U. R. K. of P's  
Sinks in Flatrock

Too much human weight caused an ordinary flat bottom row boat to sink in the middle of Flatrock last night and as a result seven members of the Uniform Rank, Knights of Pythias returning from the picnic at the Green cottage, received a good ducking. The boat was in the middle of the stream and suddenly went under, apparently as easily as if it had been hit by a torpedo. The following were trying to ride the boat across: Ed Beer, Floyd Hogsett, Lote Carter, Derby Green, G. P. Hunt, Charles H. Brown and J. K. Jameson.

## STEALS CAR WITH NO LICENSE NUMBER

Thief Takes New Machine From  
Henry Summan's Barn Near  
Raleigh Wednesday Night

CHANCES TO ESCAPE ARE GOOD

The automobile thief who entered Henry Summan's barn a quarter of a mile from Raleigh last night and stole a Ford that had just been purchased has a fine chance to escape because the machine had no license number on it. In addition to it being a make of car that is very common, the authorities will be handicapped by the lack of a number for identification. The engine number was 1,141,090, but it is in such an obscure place that there is only one chance in many that a machine would be located by that means.

Members of the Summan family do not know what time the car was taken. They know only that it was missing this morning. They say the thief was an expert at the wheel because he had to drive across a field and down and then up a steep embankment in order to escape.

## KNEW IN ADVANCE OF IRISH REVOLT

British Was Prepared For Landing  
of Troops, Which Explains  
Early Capture.

MILITARY AT ONCE WARNED

(By United Press.)

London, May 18.—The British government knew several days in advance that the Irish rebels planned open revolt, but did not disarm them, fearing great bloodshed.

Sir Matthew Nathan, who resigned as under secretary for Ireland following the rebellion, made this admission today before the royal commission appointed to investigate the rebellion. Three days before the revolt in Dublin began, the government learned that Irish leaders had been informed that Germans would cooperate with them in a great land, sea and air offensive.

Sir Matthew said the Irish constabulary and military were at once warned, the coast was patrolled day and night to guard against a possible landing of German arms and it was undoubtedly due to these precautions that Sir Roger Casement was captured a few hours after he landed.

## FRANK FARLEY IS HIT BY AUTOMOBILE

Old Man is Knocked Down by  
Machine Driven by William Carr  
Son of Owen L. Carr

BRUISED; NO BONES BROKEN

Frank Farley, an aged resident of West First street, was injured severely this morning when struck by the automobile driven by William Carr, young son of Mr. and Mrs. Owen L. Carr. The accident occurred at the Big Four Crossing in First street. Mr. Farley was badly bruised, but no bones were broken.

He was walking along the street and either did not see the machine or misjudged the speed at which it was traveling. He was thrown heavily to the ground, but the machine did not pass over his body. Mr. Farley is about seventy-five years old and the accident may yet prove serious.

## 150 DOG OWNERS ARE DELINQUENT

Trustee J. V. Young Will Give Them  
a Reasonable Length of Time to  
Settle With Him.

THEN THEY GO TO PROSECUTOR

Trustee J. V. Young expects the annual rush at his office by people desiring to avoid prosecution by paying their dogtaxes, to start any time now and the sooner the better. It was stated today that there are about 150 dogs in the city and township that are delinquent. The owners of these dogs neglected to pay the assessors for the license and it becomes the duty of the trustee to collect the money.

Trustee Young will not set a time limit on the payments, but will prepare the list of delinquent owners for the prosecutor. The owners will be given a reasonable time to settle and if this is not done prosecution will likely result. The tax is already delinquent, but the owners will be given a chance by the trustee.

## AUTOMOBILE HITS BUGGY; IS WRECKED

Edward Guttman's Machine Badly  
Damaged and Four Occupants  
Escape Unhurt.

ED GRUELL SLIGHTLY HURT

Edward Gruell, living east of the city, was slightly injured last night when the rig in which he was riding was hit by an automobile driven by Edward Guttman of this city. The collision resulted in the auto turning over but fortunately none of the occupants was injured. The accident occurred four miles east of the city.

It is understood that Guttman, who was driving the machine did not see the horse and buggy until too late to avoid the smashup. The other occupants of the machine, including Walter English, Scott Conde and Kaufman Wright were thrown clear of the wreckage. The auto was badly damaged.

## HOUSE COMMITTEE FAVORS "BIG NAVY"

Its Program Calls for Expenditure  
of \$180,000,000 in Fleet Con-  
struction Alone

ALSO FAVORS DISARMAMENT

Washington, May 18.—The house naval committee today adopted a "big navy" program for one year and at the same time went on record in favor of universal disarmament. The committee's program calls for expenditure of \$180,000,000 in fleet construction. The five year plan recommended by the secretary of the navy was knocked out but the number of ships recommended by the secretary is increased in almost every class.

In favoring universal disarmament the committee called on the president to do all within his power to bring about settlement of international dispute by arbitration.

## CAUSES CHARGES TO BE PRESSED NOW

Attack on Laurel M. E. Minister and  
Wife Results in Action in  
Cases Against Druggist

ACCUSED OF LIQUOR SALES

(By United Press.)

Brookville, Ind., May 18.—While no formal charges had been filed here at noon today against W. E. Tyson, Laurel druggist and his wife, and Russel Tindell, Laurel liveryman Prosecutor J. A. Clifton of Connersville was ready to push the indictments brought against Mr. and Mrs. Tyson by the February Franklin county grand jury after an extensive investigation of alleged "blind tiger" activities at Laurel. Tyson and his wife will be brought to trial on the illegal liquor sale charge on Friday. It is said that half of the people of Laurel will be called as witnesses.

Though from several sources today came denials of yesterday's reported near rioting in which several shots were fired and the Rev. C. A. Whitsitt, pastor of the Methodist church, and his wife were attacked the report was verified by more than a dozen leading Laurel citizens. A number of persons today swore that the Rev. Mr. Whitsitt was attacked by Tindell and that Mrs. Whitsitt was assaulted by Mrs. Tyson. Manager Ray Goudie of the Laurel Telephone company was struck by a beer bottle in the Tindell livery barn.

Evidence submitted to the grand jury last February is said to have shown that 17 barrels of whiskey were shipped into Laurel after the town went "dry" last fall.

## DELIVERY HORSE RUNS AWAY

Spills Groceries All Over East  
Twelfth Street in Mad Flight.

One of the Benson Delivery System's horses ran away this morning in East Twelfth street, but no great damage resulted. Groceries were spilled along the street for a distance of two blocks before the horse stopped. The greatest trouble was in sorting out the orders following the runaway and the delivery was delayed.

## CLARK BOSTIC DIES TODAY

Expires at Sanatorium Before Second  
Operation is Performed.

Clark Bostic, 36 years old, died this morning at nine-thirty o'clock at the sanatorium, where he was taken last night from his home, south of Glenwood, for a second operation for stomach trouble. He underwent an operation last Thursday at his home. The second operation was not made owing to his weakened condition. He was a native of West Virginia, and had lived in the county for the past seven or eight years. He resided on the Charles Fulton farm. He is survived by his widow and four children. Brief services will be conducted at the late residence Friday afternoon and the remains will be shipped to West Virginia for burial.

## HORSE DROWNS IN 8 INCHES OF WATER

One of Team, Belonging to Ephriam  
Peck, Which Fell off Bridge  
I Catches Head in Lines

DRIVER ESCAPES INJURY

A rather remarkable accident resulting in the drowning of a horse in six to eight inches of water occurred yesterday afternoon near Gowdy when Leonard Barlow, employed by Ephriam Peck, drove a team of horses over the side of a bridge spanning a small branch.

The horse that was drowned became fastened in some limbs and its head was held under water. Barlow was unable to extract the horse and the animal died before help could be called. The other horse was badly hurt. The team was a valuable one. Barlow, the driver, jumped from the wagon and escaped injury.

## LAST CHAPTER OF TRAGEDY ENACTED

Three Victims of William Dollar,  
Murderer-Suicide, of Macy,  
Buried Today.

SON BETTER; WILL BE BLIND

(By United Press.)

Peru, Ind., May 18.—Side by side in the little country cemetery at Macy today were buried the four victims of the Dollar tragedy of Tuesday morning. The request of the murderer and suicide, William Dollar, to be buried by the side of his wife, who died two months ago and whose death is believed to have caused Dollar's mind to become deranged, was granted. By his side were placed the bodies of his three victims, his mother, Mrs. George Dollar, and his two daughters, Agnes and Ida.

The murdered-suicide's father, George Dollar, was the only member of the household of six persons who attended the funeral. The remaining son, George, may recover, it was said today, but he will likely lose his sight.

TO REORGANIZE FLEET

(By United Press.)

Washington, May 18.—Following a conference between Secretary Daniels and President Wilson today, it was learned the Atlantic fleet will be reorganized and a new commander named to succeed Admiral Fletcher.

## TRIES 4 TIMES TO TAKE HIS LIFE

James Arthur Powell is Frustrated  
Each Time by Members of  
Family and Police

GUARDIAN ASKED FOR HIM

Purchases Rope at Hardware Store  
for Purpose of Hanging Him-  
self The Last Time

James Arthur Powell, an aged resident of this city, believed to be mentally unbalanced, attempted suicide, or at least made preparations for the act no less than four times yesterday and each time his plan was frustrated.

Mr. Powell resides at 312 West Second street and he is said to have been in failing health for some time. Not long ago application was made in the circuit court for the appointment of a guardian, but the petition has not been acted upon. It is believed that some action will be taken to place him under the proper care so that he will be guarded.

Mr. Powell seemed intent on taking his life. The final effort was made late yesterday afternoon when he purchased some rope at a local hardware store. Chief of Police Yakey was called by some relatives of Mr. Powell and succeeded in getting the rope away from him. It is stated that this was the fourth attempt of the day.

The first attempt came early in the day when Mr. Powell returned from Indianapolis with some rat poison, declaring that he was going to end his life. He had warned his family before making the trip to Indianapolis, but returned safely, bringing the poison with him.

During the day, it is stated that he attempted to hang himself by a strap in the loft of the barn. His actions for some time have caused the family no end of worry and his son-in-law, Omer Green kept a close watch on him. It was Mr. Green who notified the police, asking them to get the rope away from Mr. Powell.

## AMERICANS BODIES FOUND

(By United Press.)

Marathon, Texas, May 18.—The bodies of three American mining prospectors, missing since the battle of Glenn Springs, have been found in the Big Bend desert country by a posse of cattlemen, according to William Sonson, a rancher, who arrived from the border today. The missing men were Harris, Woodson, and Bosworth.

## Who's Who in Business?

Success in business comes through the application of good ideas and the tenacious pursuit of high ideals.

The basic idea and the highest ideal of any truly successful business is service.

Newspaper advertising occupies the place it does today because it has demonstrated its great capacity for service.

It is a convenient method of which business may express its ideas and its ideals to the public.

It is respected because it is respectable.

It is of profit to the advertisers to the extent that they make their offerings of profit to the public.

Glance over the advertising in today's newspaper and see what is going on in the business world.

## Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

## TO MAKE SPEED IN ORGANIZATION

(By United Press.)

Chicago, May 18.—The Republican National committee today paved the way for a speedy organization of the national convention here June 7 when Secretary Reynolds ordered delegates in all contested districts to appear before the committee on June 1 for settlement of contests.

The contested districts include seventeen in Georgia, twelve in Louisiana, one in Virginia, three in South Carolina, one in Missouri, two in Oklahoma, and two in the District of Columbia.

Reynolds declared he expected the convention to get under way speedily. Tentative programs have been arranged for only three days.

## ARMY'S NORTHERN MOVEMENT GOES ON

(By United Press.)

Columbus, N. M., May 18.—The northern movement of the American troops in Mexico continued today. It is apparent that the major part of Pershing's army will be concentrated at Colonia, Dublan, on the outskirts of Casas Grandes, 125 miles from the border.

Information regarding troop movements is being carefully censored here, but it is understood that the approach of the rainy season and the consequent difficulty of delivering supplies to the punitive expedition is at least one reason for the rapid concentration north of the original field base. A permanent camp is being prepared at Dublan. Large shipments of lumber to Dublan indicate that buildings to be erected there will be substantial enough for any conditions.

## SEEKS CLEW TO UNTANGLE MYSTERY

(By United Press.)

Waukegan, Ill., May 18.—From the tangled clews in the death mystery of Marian Lambert, attorneys for William H. Orpet, on trial for her murder, sought today to comb new facts that would clear their client.

As one jury prospect after another was excused in the court room, where the trial was in its third day, lawyers and detectives for both defense and prosecution searched through Helm's woods, the scene of Marian's death, and invaded homes of Marian's schoolmates for evidence, more evidence, to prove conflicting theories of suicide or murder.

Capt. J. K. Gowdy is ill at his home in North Perkins street suffering from asthma.

An exchange will be given by the Little Hustlers class of the Methodist Sunday School Saturday morning in the Wilco Five and Ten Cent store.

## "Corns All Gone! Let's ALL Kick!"

Every Corn Vanishes by Using Wonderful, Simple "Gets-It" Never Fails. Applied in 2 Seconds.

Isn't it wonderful what a difference just a little "Gets-It" makes, on corns and calluses? It's always right somewhere in the world, with many

"Whee! I Don't Care! I Got Rid of My Corns With 'Gets-It'!"

folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tape and contraptions, and the "holier" in their corns goes on forever! Don't you do it. Use "Gets-It," it's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corn comes "clean off," quick. It's one of the gems of the world. Try it—you'll kick—from joy. For corns, calluses, warts, bunions. "Gets-It" is sold everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Rushville and recommended as the world's best corn remedy by Fox Bros. Drug Store, Hargrove & Mullin and F. E. Wolcott.

### Our Duty in Mexico.

It is inconceivable that any true American could want war for war's sake. We are not that kind of a people, and our interests do not lie in that direction. But we are confronted with a situation in Mexico which is calculated to exhaust the patience of any person with an ounce of red blood in his veins.

It is time for us to stop quibbling and do some real acting.

Our states bordering upon Mexico are raided with impunity by the outlaws and cutthroats who infest the northern section of that country. Our citizens are murdered or outraged and their property stolen or destroyed. The defacto government of Mexico is not only powerless to prevent these forays but we have every reason for the belief that the authorities are making no effort whatever to check them.

Every American city or town on the border is in constant danger of invasion by the bandit followers of the Mexico leaders. No home is safe from the destroyer, no feminine heart is ever devoid of constantly increasing fear of the brutal ravisher.

Under these conditions the duty of the United States is clear.

The citizens of our border states are our own people, they are our own flesh and blood, and their interests are our interests. They are entitled to the protection of the whole nation, and as a nation it is our duty to afford them that protection.

The government of Mexico will do nothing. It therefore is up to us to do something.

We have waited for five years for the restoration of law and order in Mexico, and conditions are infinitely worse today than they ever were before. The future holds out no hope of anything but unlimited and unbridled brigandage, an impossible condition for this country to longer tolerate because of the constant menace to our own people and to our own interests.

A sufficient force of American troops should be sent into northern Mexico to restore normal conditions throughout that whole region, and another force should be sent to the border to afford ample protection to the people of these states.

General Funston has asked for 50,000 National Guard troops. He should have the whole 129,000 members of the National Guard. And if they are not enough for the service required, then volunteer regiments should be raised to supply his demand.

And if the Mexican government and the Mexican people do not like such action, and offer any united opposition to the cleaning up of this territory, then a great volunteer army of half a million of even a million men should be spread over that country like a blanket, and not a man should be withdrawn until every bandit has been hung or driven from the country, law and order restored, a stable government established, and the Mexican people themselves demonstrate their ability to govern themselves in a manner acceptable to other nations.

We do not covet a foot of Mexican territory. We do not want any trouble with Mexico if it can be honorably avoided. But conditions in that republic have reached the state where nothing but American bayonets and shot and shell will be of the slightest avail.

They should get it, and without an unnecessary hour of delay. And they should get it in such quantities and with such force as to forever breed a wholesome respect and fear in the heart of every Mexican for the power and might and justice of the United States.

It is reported in Washington that the White House would like to see Samuel Undermyer receive the Democratic nomination for Undermyer is a most deserving Democrat. No

man in the country—unless it is Col. House—has rendered larger or more welcome personal service to the President than Mr. Undermyer has. But whether the Democrats of New York and the voters of that State will think themselves bound to pay the President's debts by political preferment is at least doubtful.

## HUNDRED LEADING HOOSIERS

George Washington Ewing.

An Indian named after the Father of His Country was largely instrumental in the discovery of Francis Slocum, the lost white girl. This was George Washington Ewing, born in 1803 of one of the leading pioneer families of Indiana, Michigan and Ohio. As a boy Ewing formed a friendship with the Indian tribes of southern Michigan and northern Indiana which in later life served him well in his efforts to find Francis Slocum and in arranging a treaty with the Miami tribe.

Ewing settled at Fort Wayne in 1828. Two years later he became one of the proprietors of Logansport. After living seven years in Logansport he moved to Peru where he also was a pioneer. He died in 1851.

## LOCAL WOMEN HAVE PART ON PROGRAM

Will Participate in 25th Annual Meeting of District M. E. Missionary Society

TO BE AT COLLEGE CORNER

The program has been announced for the twenty-fifth annual meeting of the Woman's Home Missionary Society of the Methodist church, which will be held at College Corner, Ohio May 22 and 23. Mrs. R. C. Hargrove of this city is president of the society. On Monday afternoon at two o'clock, when the sessions open, devotions will be led by Mrs. E. M. Michener of Connersville. Mrs. J. W. Holland of College Corner will deliver the address of welcome and Mrs. Hargrove will respond. The principal event of the afternoon will be an address by Mrs. A. B. Storms of Indianapolis, conference president. Mrs. W. M. Whitsitt of this city will conduct the Quiet Hour following the address. At the Monday evening session, Miss Jessie Murphy of Glenwood will sing a solo.

The main address of Monday evening's program will be "Our Young People," delivered by Mrs. A. C. Hawn of Indianapolis, conference secretary of young people's work. Tuesday morning will be devoted to business and Tuesday afternoon to a meeting of district officers. Besides Mrs. Hargrove, Rush county is represented in the district by Mrs. J. H. Link of Glenwood, who is recording secretary; Mrs. John Jordan, of this city, secretary of literature, and Mrs. Ethel Fielding of Glenwood, who is secretary of mite boxes.

## CANNERS OF STATE MEET

Discuss Effect of War on Farmers of Indiana.

(By United Press.)

Indianapolis, Ind., May 18.—Is the European war affecting the farmers and produce growers of Indiana? This was the question under discussion at the Indiana Cannery Convention here today. The warring nations are demanding millions of cans of food for the armies in the trenches which is causing a heavy drain on the canners of the state and this drain will be felt when they arrange for their seasonal packs. H. E. Barnard, state food and drug commissioner, is to deliver the main address of the meeting and will talk on "Canned Goods as Food."

Goodyear tires are the result of years of careful experiment. As near a perfect tire as can be produced. Large and well assorted stock at Hayden's.

## TURKEY RUN SOLD AT AUCTION TODAY

Commission Appointed by Governor

Hopes to Obtain Land For State Park Site.

KNOWN AS JOHN LUSK LAND

(By United Press.)

Rockville, Ind., May 18.—Turkey Run, one of Indiana's most beautiful scenic places, today went under the auctioneer's hammer. An attempt was to be made to purchase the tract with publically raised funds and to turn it over to the state as a state park. For more than a year a commission appointed by Governor Ralston composed of W. W. Woollen of Indianapolis, Miss Vida Newsom of Columbus, and Mrs. Juliet V. Strauss of Rockville have been working on plans for the preservation of Turkey Run. In cold legal terms the tract is known as the John Lusk land but to the people of Indiana who have visited it by thousands it is known as Turkey Run, a name that has passed down through the years because of a tradition that a great flock of wild turkeys once gathered there.

## ANTIDOTE FOR BICHLORIDE

Cincinnati, May 18.—The discovery of an effective antidote for bichloride of mercury poisoning is announced by Dr. J. H. Wilms, and endorsed by city health officers; and our despondents may now be deprived of their favorite method of committing slow suicide.

The remedy consists of calcium sulphite, given intravenously grain for grain, of the poison taken; one grain of calcium sulphite to one ounce of water within 48 hours after the poison has been taken.

## FORM SCOTTISH RITE CLUB.

(By United Press.)

South Bend, Ind., May 18.—One of the largest Scottish-Rite clubs in the county was being formed here today. Scottish-Rite Masons from twenty-two cities and towns of Northern Indiana and Southern Michigan represented by more than 200 members will form the club.

## I. U. IS HOPEFUL.

(By United Press.)

Bloomington, Ind., May 18.—Ohio State and Indiana were scheduled to meet in baseball here this afternoon. Having broken even on the Northwestern-Illinois trip last week, the Hoosiers were hopeful of defeating the Ohio State team.

## PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look.

10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

## LOCAL DELEGATION TO ATTEND MEETING

Business Men Prepare For Session at Shelbyville, Similar to One Held Here

### SPECIAL PROGRAM ARRANGED

The local Business Men's association is planning to send a large delegation to Shelbyville June 14 to attend the sectional conference of the associations in this district. A similar meeting was held here some time ago.

The Elks lodge of Shelbyville will observe Flag day on this date and the visiting delegations have been asked to participate in the parade. The Elks will present a large flag to the City of Shelbyville. The local Elks have been invited and it is more than likely that a large number will accompany the merchants to Shelbyville.

### WAR ODDITIES.

London, May 18.—Sir William Lever has accepted a bet of 50 pounds to a penny (about \$250 to 2 cents) that labor will be worth not exceeding 20 marks (about \$5) weekly in Germany 18 months after the war.

Amsterdam, May 18.—"May be a majority of Germans would welcome Prussian militarism's disappearance," said the Nieuws Den Dag, commenting on Premier Asquith's declaration that that's what the allies are fighting for.

### LONG DISTANCE TRACK.

(By United Press.)  
Columbus, O., May 18.—Ohio State University, Colby and Colgate track squads are engaged in a novel triangular meet at long distance.

For some time athletic directors of the three schools have been keeping the records of groups of their athletes in each event. The best mark each man makes in a year's competition is considered his mark for the year and the average of the entire group in that event is taken and courts as the mark of the institution for that event.

It will take all summer to determine which school has won the meet.

Best by Test, Fair Promise 5c Cigar

## DISCUSSES HER FAVORITE TOPIC

Mrs. Margaret Sanger Delighted With Her Stay in Indianapolis and Talks Birth Control

### CITES HOLLAND AS EXAMPLE

Resents Implication That She is Connected in Anyway With Miss Emma Goldman

(By United Press.)

Indianapolis, Ind., May 18.—I am delighted with the reception which I received in Indianapolis and from the people of Indiana. I have found them fully as receptive toward birth control as the communities of the east where information on the movement has been more widely circulated.

This was the way Mrs. Margaret Sanger, New York City, foremost advocate of birth control, summed up her three-day visit in Indianapolis for the United Press today just before leaving for St. Louis. From St. Louis Mrs. Sanger will go to the Pacific coast in her tour to impart information on birth control.

A small demure woman with a soft voice, quiet eyes with a slight twinkle, and dressed neatly in accordance with the prevailing styles is Mrs. Sanger, the woman who through indictment by the Federal Grand Jury in New York became one of the most widely known women in the country. Indeed Mrs. Sanger is a type of the profession she followed for fourteen years—that of nursing.

"I do not wish to be connected in anyway with Emma Goldman," emphasized Mrs. Sanger. "While some of the things advocated by Miss Goldman are similar to those which I uphold yet Miss Goldman has her ideals and I have mine."

"Birth control," she continued in her logical manner of speaking, "is not a new thing. It really is a very old practice. Today Holland has taken it up the most widely and there are 152 clinics and dispensaries where information concerning the prevention of conception can be secured. In Holland birth control, even has been recognized by the state as a public utility."

"The essence of my teaching is this: Not more babies but better babies. As I see it, the menace to our civilization is not the stationary birth rate of our upper classes but the steady increase of children in poor families. Three hundred thousand babies die in the United States every year from poverty and neglect while 600,000 parents remain in ignorance as to how to prevent 300,000 more babies coming into the world next year."

"I am glad that Indiana is among the states which have no laws prohibiting the dissemination of information for the prevention of birth control. I believe through my conferences during the past three days and with aid of your laws that the movement will have a rapid growth in Indiana."

I recently replaced with new Good-years a set of old ones that had given the owner nearly 7,000 miles of service. With proper care yours may do as well. Get them at Gunn Haydon's. 5613.

### NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Commissioners of Rush County, Indiana, will receive sealed bids at the County Auditor's office in Rushville, Indiana, up until 2:00 o'clock p. m. on

MONDAY, JULY 31, 1916, for the construction of a new roof for the Court House at Rushville, Indiana.

Said roof to be constructed according to plans and specifications now on file in the County Auditor's office, Rushville, Indiana, and also on file in the office of the Architect, Charles E. Working, Richmond, Indiana.

Bids must be accompanied by bond as by law required. Samples of tile must be submitted with the bid. The successful bidder will be required to guarantee the workmanship and material used in construction for a period of two years from the time of completion of the work.

At the same time the Board will receive and file them in the office of the County Auditor at least ten days prior to July 31, 1916. The Board reserves the right to reject any and all bids.

Witness my hand and seal this 13th day of May, 1916. ALLEN R. HOLDEN, Auditor Rush County, Indiana. May 18-25-June 1-8-15-22

### Scale Books.

We have a new supply of scale receipt books, large-size only containing 500 receipts. The Republican office.

### Amusements

Patrons of the Princess theater will get a little extra fixin's tonight when they see "The Voice of the Violin" because appropriate music will be furnished by an Edison Diamond Disc Phonograph. Tonight's program will also offer Mary Anderson and William Dunn in a powerful three-act drama, "The Human Caudron. It is a story of big city life. Rose Melville, the original Sis Hopkins, will be seen in her latest impersonation of that well known character in the film, "She Came, She Saw, She Conquered." "The Misleading Lady," in which Henry Walthall and Edna Mayo are the stars, will be the offering for tomorrow night. Walthall plays the part of Jack Craigen, a role wholly new to him. As the play develops, he changes slowly from the conventional man, very thoughtful, slightly moody and extremely distrustful of women, into a polished brute, consumed by the flames of a desire which is the stronger for being repressed for so long a time. Walthall in the photoplay, has become identified with the characterization of a dignity, tinged with thoughtfulness and often verging on melancholy. He is the poet of the screen and the portrayer of poetic emotions. Big things, elemental things, patriotism, idealized love, sacrifice, ambition of the MacBeth type, those are the things which Henry Walthall has pictured in the past.

"The Hand of the Law," in three acts, will be shown at the Mystic tonight. Such stars as Bigelow Cooper, Edward Earle, Bessie Learn, William Wadsworth, Jessie Stevens and Nellie Grant will be seen in this production. Supporting it will be a one-part comedy, "Half a Million," featuring D. L. Don. A four-act feature story, "The Glory of Youth" will be shown tomorrow. The story winds about a young dancer, an athlete and a deformed and crippled millionaire. Inez Bauer plays the part of the dancer.

The Gem offers the third episode of "The Iron Claw" for the first picture tonight. This one is entitled "The Cognac Mask." Pearl White is featured as usual and this is said to be one of the most exciting of the entire series. The other picture is a comedy "Skylight Sleep." Tomorrow the two-part drama "The Trail of the Wild Wolf" will be shown. Paul Panzer and Edith Roberts are featured.

"All Aboard the Magic Carpet," is the title of an educational and dramatic film of 1,500 feet describing the uses and advantages of American Banker Association checks, which will be shown at the Princess theater tonight.

### NOTICE TO PROPERTY OWNERS.

Rushville, Ind., May 16, 1916.  
To Whom it May Concern:  
Notice is hereby given by the common council of the City of Rushville, Indiana, that on the 16th day of May, 1916, they approved an assessment roll showing the "prima facie" assessments for the following described public improvements as authorized by Improvement Resolution No. 48. Said improvement is intersected by the following streets and alleys, of Eleventh street from Main street to Willow street, by constructing cement walks and grading laws. Persons interested in, or affected by said described public improvement, are hereby notified that the common council of said city has fixed June 6th, 1916, as a date upon which remonstrances may be received or heard against said assessment against each piece of property described in said roll, and will determine the question, as to whether such lots or tracts of land have been or will be benefited in the amount named on said roll or in a greater or less sum than named on said roll.

Said assessment roll showing said "prima facie" assessments with the names of owners and description of property subject to be assessed, is on file and may be seen at the office of the City Clerk.

CARL L. GUNNING, City Clerk.

## SCRATCHED 10 YEARS — HEALED IN ONE WEEK.

Finally Cured by Using One Dollar Bottle of Amolox

One bottle of Amolox cured me. For ten years I suffered with eczema of the scalp, my head being covered with scales and scabs. I tried everything advertised without relief until I bought a bottle of Amolox. It relieved the itching at once and one bottle entirely cured my eczema. I heartily and cheerfully recommend it to all sufferers of this horrible disease.

James W. Seward, Brazil, Indiana.  
Amolox ointment will quickly remove pimples on the face, blackheads, and clear up a muddy complexion. Trial size, 50c. Bad cases of eczema, psoriasis, salt rheum, tetter, lasting for years, require both Amolox solution and ointment to effect a cure. Recommended and guaranteed by Hargrove & Mullin. (Advertisement)

### EYE, EAR, NOSE AND THROAT

GLASSES FURNISHED  
DR. F. G. HACKLEMAN

## VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podoophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santalax. Ask for the box that has the picture of the soldier on it. These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing your headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santalax Remedies Co., 802 Madison Ave., Covington, Ky.

Affairs In The Social World

Edited by Miss Frances Frazee  
Phone 1111, 3 rings

Social Calendar

Friday

Thimble Club, with Mrs. F. G. Hackleman at 515 North Morgan street, in the afternoon.

Mahoning Council at Red Men Hall, in the evening.

Mahoning Council, number 36, will have the regular meeting in the hall tomorrow evening. Inasmuch as there is to be nomination of officers for next year, a large attendance is desired.

The members of the Classes of the Christian Sunday school taught by Carl Webb and Donald Alexander are to meet at the church tomorrow evening at 7 o'clock. From there they will go to the Alexander farm for a weenie roast to be given for the classes.

"500" CLUB

The members of the Five Hundred Club were the guests of Mrs. Lou Weeks in North Willow street last evening. The usual interesting card games were enjoyed at the conclusion of which, ice and cake were served by the hostess.

BAND OF WORKERS

Twenty-five members of the Band of Workers met at the home of Mrs. Douglas Morris yesterday afternoon for their regular business and social meeting. Several business matters were discussed, after which the hostess, assisted by Mrs. Harvey Allen, served a delicious collation.

PENNY SUPPER

A delicious supper, every number on the bountiful menu of which was tempting, was served by the Watson Class of the St. Paul's M. E. church at the Penny supper given last evening in the church parlors. Over sixty dollars were cleared from the supper and candy stand. The members of the class also served a fifteen cent dinner this noon at the church, which was equally good.

INFORMAL PARTY

Mrs. J. T. Arbuckle entertained several friends very informally last evening at her home in East Seventh street. The evening was pleasantly spent, during which light refreshments were served. The guests of Mrs. Arbuckle were Mrs. Belle Co-sand, Mrs. Norm Norris, Miss Elsie Bohannon, Miss Anne Cochran, Miss Kate and Miss Mary Shuck, Miss Laura Caldwell, Mrs. W. L. Niles, and Mrs. Lucinda Caldwell.

D. T. CLUB

With Mrs. Theodore Abercrombie Jr., of East Ninth street as hostess, the members of the D. T. Club spent a delightful afternoon together yesterday. A huge bouquet of snowballs graced the living room in which the guests spent the afternoon over their needlework. A lovely bouquet of pansies was in the center of the dining table, which was prettily set with mats and at which the guests enjoyed the service of a delicious luncheon. The next regular club meeting will be held at the home of Mrs. Bruce Beck in two weeks.

YELLOW AND WHITE PARTY

Dainty in all of its appointments was the pretty little bridge party given by Miss Estelle Jones yesterday afternoon for the members of the Bridge Club. Huge bunches of bridal wreath were in the living room where the guests spent the afternoon in playing cards, while Aaron-Ward roses were the yellow flowers used. When invited into the dining room, the guests were greeted by a pretty picture. A large bouquet of yellow flowers was in the center of the table. Aaron-Ward roses were at each of the places which were marked with place cards decorated with a yellow rose. In this delightful environment, a tempting luncheon was served. The guests were Mrs. Chauncey Duncan, Mrs. Claude Cambern, Miss Mary Amos, Mrs. Will Frazee, Mrs. Albert Capp, Mrs. Rich Reed, and Miss Bertha Helm. The close of the card games awarded the honors to Mrs. Chauncey Duncan. The next club meeting will be held with Miss Bertha Helm.

PHI DELT CONVENTION

The enthusiasm and interest that alway characterizes fraternity conventions is already being felt here by the local chapter of Phi Delta Kappa in anticipation of the convention to be held in Lafayette June 21, 22 and 23. The chapter is just completing what is said to be the most successful year financially and socially, that the fraternity has enjoyed. Thirty regular business meetings have been held during the year and the funds realized from eight dances which the chapter has given have added materially to the treasury. Twenty-five active members constitute the chapter, which holds all its gatherings in the club rooms that the chapter has had for the past 18 months.

Practically the entire membership is planning to attend the convention. Those who have signified their intentions definitely to attend are Robert Vredenburg, Jack Knecht, Harold Pearce, Harold Beaver, Dale Fisher, and Will Carter.

Another social feature which is to be purely a Phi Delta Kappa affair is the picnic and dinner-dance to be given in Newcastle Saturday. Several members from this city are planning to motor to Newcastle for the event.

Final arrangements for the entertainment of the members of the fraternity are rapidly nearing completion and the entire program of the three days is finished. The Lafayette fraternity men are endeavoring to outdo all other annual conventions of the fraternity, and from the program and the estimates of attendance from the forty active chapters it looks like they will make good. As a result of literature sent out by the Lafayette Chapter the enthusiasm is increasing among the members in each Chapter town and the candidates for national offices are opening their campaigns with bundles of literature. Preparations include entertainment for the officers, delegates and members and also for the members' wives and ladies, and there are to be no "wall flowers" at the convention.

The fraternity is entering what promises to be one of its most successful years, and the election this year will be waged along the lines of what candidates will likely give the best and most service during, next year. The reports of the Secretary this year will show a greater amount of money in the treasury than ever before and the members of Chapters greater in number.

JUNIOR-SENIOR RECEPTION

On such a night as last evening for one to step into a refreshing outdoor scene radiating spring would seem impossible; however such was the case for the guests of the reception given by the members of the Junior class for the graduating class, when they entered the Graham Annex gymnasium. It had been created into a rustic and beautiful woodland scene and all traces of a gymnasium had been cleverly hidden. Covering the bleachers and surrounding the room was a line of small trees, not branches, but trees standing upright as if they were growing there. About a dozen porch swings hung amid these and in the center of the room, where green rugs were placed about on the floor. Rustic and wicker furniture was arranged in groups for the comfort of the guests and in the midst of this were pedestals on which huge bouquets of spring flowers and ferns were placed. In one corner of the room, a vine covered well-house stood. The well in it, however, contained delicious punch which was served by Letha Higgins and Reba Beale. The well was covered with greenery and flowers and to complete the effect, the refreshing drink was served in tin cups, a line of them hanging along nearby. The soft glow from the Japanese lanterns which hung low over the scene and gave the only light completed the effect which was made even more attractive by the pretty young girls, each in a lovely new summer frock, all in pale and harmonizing colors.

And over all this, floated soft and sweet strains from the harp and violin, making the atmosphere one of complete delight.

Upon entering the guests were received by Miss Harriet Smith, president of the class; Paul Newhouse, vice-president; Miss Nola Roth, secretary; Ralph Martin, treasurer, and Miss Hermoine Hughes, Miss Mary Louise Bliss, Miss Louise Poe, and Arthur Fry, the last four being representatives from each of the committees who had the affair in charge.

During the course of the evening a short program was given by Miss Frances Frazee, composed of comic readings, monologues to the harp music, and readings containing local hits on the members of the two classes. For the latter ones, Miss Frazee was accompanied by Miss Louise Poe on the piano. Several numbers by Montani, the harpist, and a violinist were given on the program. They completely captivated their hearers, by the masterful way in which they rendered their well chosen selections. A short introduction by Dwight VanOsdol preceded the program.

Later in the evening, the guests were invited up to the mezzanine floor, for indeed such it was, all traces of the running track having been hidden with lovely floral decorations, a complete line of ferns surrounding the balcony effect, and small tables decorated in the senior colors arranged about it, so that they overlooked the lovely rustic scene below. Strips of pink and green crepe paper crossed on the tables, pink candles on the tables, roses in bud vases, and candy holders at each place in the form of a rose brought out the colors of the class. Pink brick ice-cream and individual cakes iced in white and green were served. During the serving of this refreshing collation, Miss Mary Louise Bliss and Miss Louise Poe wound in and out among the tables and with beautiful solos fur-

I have typewriter ribbons for any machine made; all standard length, any color. 50c each. Louis C. Hiner, at the Republican office. tf

## CLASH IS LIKELY AT CONVENTION

Radical and Conservative Elements of Presbyterian Church Mixed in Controversy

### ACTION AGAINST NEW YORK

Alleged That This Presbytery Has Violated Terms of Resolution Passed Last Year

(By United Press.) Atlantic City, May 18.—The long expected clash between the radical and the conservative elements of the Presbyterian Church is likely to develop at the 128th General Conference, which began here today, from the action of the Presbytery of Cincinnati demanding that the New York Presbytery be cut off from membership in the General Assembly.

A resolution was adopted at the last General Assembly requiring that presbyteries admit no candidates who were graduates from theological seminaries considered heterodox in their teachings.

The action of the New York Presbytery in licensing three graduates of the Union Theological Seminary of New York, against which this resolution was really directed is regarded as a direct challenge by the conservatives.

The Union Seminary, although some of its faculty are members of the New York Presbytery, has no connection with that body. The other theological seminaries of the Presbyterian Church are under the care of the various presbyteries in whose boundaries they are situated.

One of the conservative strongholds, although there is a large liberal element there, is the Presbytery of Cincinnati. Under its care is the Lane Theological Seminary, long a citadel of orthodoxy. Other presbyteries where the conservatives are strong are Chicago, where McCormick Theological Seminary is situated, and Pittsburgh, which is sponsor for the Western Theological Seminary.

The feeling between the New York Presbytery is especially strong because within the territory of each is a seminary which represents the two elements in the Presbyterian Church.

One of the leaders in the Presbytery of Cincinnati is the Rev. Dr. William McKibbin, the head of Lane Theological Seminary. He was the prosecutor of the Rev. Dr. Henry Preserved Smith, accused of heretical teachings, a brilliant theologian who left the uncongenial surroundings of Lane and is now connected with Union.

The fight is on between Lane and Union, between the West and the East, between conservatism and radicalism.

Owing to the delicacy of the situation delegates to the General Assembly at Atlantic City decline to speak for publication concerning it, but do not conceal that they expect a battle in the conclave. Whether or not New York Presbytery will be forced out of all relations with the assembly remains to be seen.

The indications are that the conservative forces will prevail and that they will at least succeed in passing a vote of censure upon the New York Presbytery for having licensed three graduates from an institution under the ban of the conservative wing.

If the New York body is cut off there are many who think it means that all its property will go too. This means that the Presbyterian Church will lose more than \$21,000,000. The church buildings alone are valued at \$18,220,598. The Extension Committee represents more than \$2,000,000 and the Trustees of Presbytery control more than \$1,000,000. If this transpires the Boards of the Church will lose benevolences of more than \$1,500,000 annually. The total benevolences last year were \$1,574,303.

FOR SALE—My Hupmobile Runabout Automobile in good condition at bargain. Joe Cowing. 56tf.

## RUSH COUNTY BOY WINS HIGH JUMP

Eliff B. Staples of Richland Township Takes Down Honors at I. U. Freshmen Meet

### HOLDS INDOOR RECORD ALSO

Eliff B. Staples, son of Mr. and Mrs. B. F. Staples of Richland township, who is a student in Indiana university, recently won the running high jump in the Freshmen meet which is held annually. His record was five feet and five inches.

This year the wind was strong and rough conditions of the track impeded the progress of the contestants to a great degree.

It is also noted that Mr. Staples holds the indoor gym record of five feet and seven inches and has a high average in the all around gymnastic competition that is now in progress. It is predicted that he will easily secure the fourth or fifth prize of the eleven that have been offered.

## DISAPPROVE OF CHEAP PATRIOTISM

National Sons of American Revolution Demand Respect For Flag and National Music.

### DEPLORE BID FOR APPLAUSE

(By United Press.) Newark, N. J., May 18.—The orchestra that makes a last desperate bid for applause by banging out the "Star Spangled Banner," the band that medleys "My Country 'Tis of Thee" with ragtime, and the vaudeville act that closes with a tremendous flapping of the American flag will all be under the ban, if the National Sons of the American Revolution, have their way.

Members of this organization, all sons of the men who achieved American independence, plan a campaign for laws in all the states and territories against such performances. It is part of their effort to bring about a "more dignified and reverent" attitude toward the Fathers of the Republic.

A campaign to educate aliens in the history and spirit of the American nation also is under way.

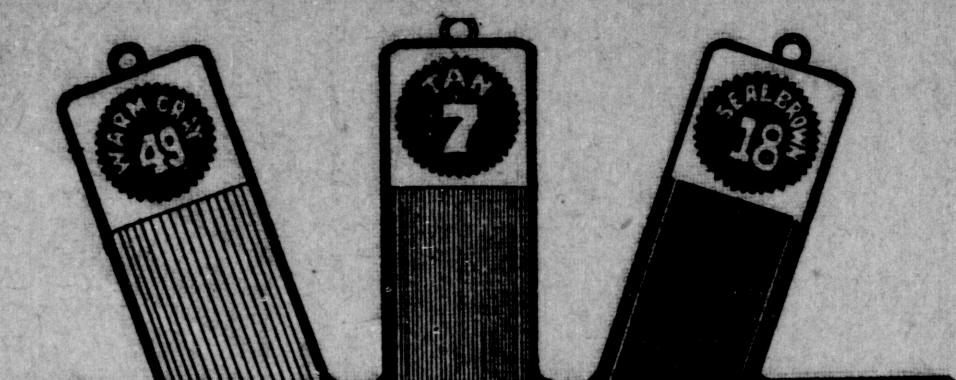

## OLD ROMANCE IS REVIVED

Vincennes Centennial Pageant Attracts Large Crowd.

(By United Press.)

Vincennes, Ind., May 18.—The romance that surrounded the old French fort of Vincennes and centered about "Alice of Old Vincennes" was revived today when the modern Vincennes began the celebration of Indiana's centennial. The celebration will be known as the "Pageant of Vincennes" and will be enacted on the banks of the Wabash in a setting of great natural beauty. The pageant will be in charge of George S. Cottman of Indianapolis and the drills will be under the direction of H. Hardin, also of Indianapolis. Several thousand visitors were expected here today and tomorrow.

If you wish beautiful, clear, white clothes, use Red Cross Ball Blue. Large 2oz. package 5 ets.

## Paint-Up With "Green Seal"

Until you've tried it, you have no idea how a coat or two of Hanna's Green Seal Paint will beautify and preserve your property. It makes everything look bright and new.

It spreads smoothly, covers all surface defects and dries with a glossy finish that wears through all kinds of weather. It has given good results for 27 years.

# FIRE MARSHAL TO ASSIST CITIES

State Executive Will Help Enforce Ordinances, it Has Been Demonstrated in Some Cases.

INSTANCE ARE RECITED

Also May Enforce City Laws Delaying With Shortage of Combustibles and Explosives.

That cities can secure assistance from the State of Indiana in the enforcement of city fire prevention ordinances has been demonstrated in numerous cases recently in which aid for the State Fire Marshal has been invoked by local municipal authorities charged with that duty. In one Indiana city, a property owner who had complied with an order of the Fire Marshal to remove a dilapidated building, began to replace the old building by the erection of a frame shed within the fire limits. This constituted a violation of the city fire limits ordinance and in response to a request from this city, the State department ordered the owner to tear off the frame siding and shingle roof on the new shed, and to replace these with metal. This second order, issued to secure compliance with the city ordinance, was obeyed by the owner.

In another recent case involving the same situation, a property owner was in the process of erecting a frame garage inside the fire limits of the city, in the rear of his mercantile establishment. After investigation, the State Fire Marshal ordered the frame part of the new building replaced with metal, which order was complied with by the owner.

The State Fire Marshal law gives the department power to enforce the ordinance of the several cities and towns in Indiana dealing with the prevention of fires and with the storage of combustibles and explosives. This power has been invoked to protect patrons of motion picture shows from the fire hazard connected with the handling of inflammable picture films. Failure to obey city fire ordinances subjects the law violator to prosecution. In the majority of cases where ordinances being disregarded it is necessary only to call the violation to the builder's attention to secure compliance.

In one Indiana city while three laborers were tearing down a building condemned by the Fire Marshal, a treasure box was uncovered containing eighty silver dollars, all bearing the date of 1865, a gold ring and two pennies. This money amply paid for the work of removal of the dilapidated property. The only regret attaching to the incident on the part of the Fire Marshal lies in the failure of his deputy to discover the money box while making the inspection.

## SAVES HOUSE OUT OF THE CITY LIMITS

Fire Department Lays 1,200 Feet of Hose in Order to Put Out Blaze at Rill Home

FIRE LOOKED TO BE SERIOUS

The fire department was called to the home of George Rill in West First street near Hodge's branch last night, shortly before six o'clock, and succeeded in putting out what promised to be a serious blaze. The Rill residence is outside of the city limits, but the department, by using 1,200 feet of hose, reached the house.

The fire, starting from a spark dropping down from the flue, was confined to the roof. One side of the roof was damaged and the loss was estimated at \$100. The property is owned by Willard Brown and is fully insured. The Rill family suffered a slight loss from water damage.

## NAMES MEMBERS BOARD OF REVIEW

Judge Sparks Appoints Samuel Young and George H. Havens to Act With County Officials

TO BE IN SESSION 20 DAYS

Two Account Suits are Heard in Court—Jessie Winship Asks Divorce From Earl Winship

Judge Sparks today appointed Samuel Young and George H. Havens members of the board of review for the coming session. These two men together with the county auditor, the county treasurer and county assessor make up the board. The session this year will last only twenty days as this is not the year to assess real estate. The board meets the first Monday in June.

The court heard the case of Henry Hackman against Elijah Hankins on an account, in which \$200 was demanded and took the case under advisement. Some of the bills introduced in evidence went as far back as 1909 and 1910.

By agreement the court found for Atwell and Sidney Morgan against Dora Winnup, giving a judgment for the plaintiffs in the sum of \$114.84. The suit was on an account and the original demand was \$150.

Mrs. Jessie Winship filed suit for divorce late yesterday afternoon from Earl B. Winship, asking the custody of their child and alimony in the sum of \$5,000.

Mrs. Winship alleges cruel and inhuman treatment and states that he frequently beat, struck and wounded her. She claims that at

## ROOM IS NAMED AFTER E. H. WOLFE

Grand Inspector of Lodge Hears  
That he is Signally Honored  
by Unknown Friend.

LETTER FROM O. E. HOLLOWAY

Room in Indiana Masonic Home at  
Franklin Will be Known as  
Edward H. Wolfe Room.

Some unknown friend of Col. E. H. Wolfe's has made arrangements to furnish a room in the Indiana Masonic Home that is being erected near Franklin, Ind. It will be known as the Edward H. Wolfe room.

Col. Wolfe recently received a letter from Dr. O. E. Holloway of Knightstown, chairman of the Home building committee, notifying him that he had just received a draft covering the expense of furnishing a room. Dr. Holloway's letter complimented Col. Wolfe on the honor because it was the last room to be furnished. Many other requests to furnish rooms have been refused.

"I have an idea who paid me this compliment," said Col. Wolfe at his home today, "but I will not say for fear that I might be mistaken."

Col. Wolfe, who has had a singularly active life, is now confined to his home by sickness. Although eighty-one years of age, he has been very free from sickness. He remains in bed during the morning, but generally in the afternoon he will be found sitting up in a chair ready to receive the many visitors who call on him each day.

Col. Wolfe has been singularly honored for his valuable services to the Masonic lodge. He has been grand inspector of the Blue Lodge since the office was established, with the exception of about a year. He is the only grand inspector the state ever had. Although the office was created in 1905, he was not appointed until about a year afterwards, the time intervening being spent in arranging the work of the appointee.

The Masonic home will be completed in September, it is now believed. It will consist of an immense administration building, a boys' building, girls' building, hospital and laundry. There were about eighty rooms to be furnished by philanthropic members of the lodge or by subordinate lodges throughout the state. Col. Wolfe said today that the Eastern Star chapters of the state would have furnished them, but the committee wanted to give others a chance.

## J. T. ARBUCKLE HONORED

Rushville Man Nominated For I. O.  
O. F. Grand Representative.

(By United Press.)  
Indianapolis, Ind., May 18.—J. T. Arbuckle of Rushville was nominated for grand representative for one year by the Indiana grand lodge I. O. O. F. at its semi-annual session here today. Nominations made today will be voted on at the November meeting. Arbuckle will be unopposed. He is a former grand master.

It has developed that Mrs. Nancy Furry, who fell on the sidewalk in front of F. A. Caldwell's store about 3:30 o'clock yesterday afternoon, suffered a stroke of apoplexy. She lies in a stupor all the time, but is conscious enough to recognize voices when spoken to. Her left side is affected. Mrs. Furry is eighty-one years old.

## TOD MUCH HUMAN FREIGHT

Flat Boat Carrying 6 U. R. K. of P's.  
Sinks in Flatrock

Too much human weight caused an ordinary flat bottom row boat to sink in the middle of Flatrock last night and as a result seven members of the Uniform Rank, Knights of Pythias returning from the picnic at the Green cottage, received a good ducking. The boat was in the middle of the stream and suddenly went under, apparently as easily as if it had been hit by a torpedo. The following were trying to ride the boat across: Ed Beer, Floyd Hogsett, Lote Carter, Derby Green, G. P. Hunt, Charles H. Brown and J. K. Jameson.

## STEALS CAR WITH NO LICENSE NUMBER

Thief Takes New Machine From  
Henry Summan's Barn Near  
Raleigh Wednesday Night

CHANCES TO ESCAPE ARE GOOD

The automobile thief who entered Henry Summan's barn a quarter of a mile from Raleigh last night and stole a Ford that had just been purchased has a fine chance to escape because the machine had no license number on it. In addition to it being a make of car that is very common, the authorities will be handicapped by the lack of a number for identification. The engine number was 1,141,090, but it is in such an obscure place that there is only one chance in many that a machine would be located by that means.

Members of the Summan family do not know what time the car was taken. They know only that it was missing this morning. They say the thief was an expert at the wheel because he had to drive across a field and down and then up a steep embankment in order to escape.

## KNEW IN ADVANCE OF IRISH REVOLT

British Was Prepared For Landing  
of Troops, Which Explains  
Early Capture.

MILITARY AT ONCE WARNED

(By United Press.)  
London, May 18.—The British government knew several days in advance that the Irish rebels planned open revolt, but did not disarm them, fearing great bloodshed.

Sir Matthew Nathan, who resigned as under secretary for Ireland following the rebellion, made this admission today before the royal commission appointed to investigate the rebellion. Three days before the revolt in Dublin began, the government learned that Irish leaders had been informed that Germans would cooperate with them in a great land, sea and air offensive.

Sir Matthew said the Irish constabulary and military were at once warned, the coast was patrolled day and night to guard against a possible landing of German arms and it was undoubtedly due to these precautions that Sir Roger Casement was captured a few hours after he landed.

## FRANK FARLEY IS HIT BY AUTOMOBILE

Old Man is Knocked Down by  
Machine Driven by William Carr  
Son of Owen L. Carr

BRUISED; NO BONES BROKEN

Frank Farley, an aged resident of West First street, was injured severely this morning when struck by the automobile driven by William Carr, young son of Mr. and Mrs. Owen L. Carr. The accident occurred at the Big Four Crossing in First street. Mr. Farley was badly bruised, but no bones were broken.

He was walking along the street and either did not see the machine or misjudged the speed at which it was traveling. He was thrown heavily to the ground, but the machine did not pass over his body. Mr. Farley is about seventy-five years old and the accident may yet prove serious.

## 150 DOG OWNERS ARE DELINQUENT

Trustee J. V. Young Will Give Them  
a Reasonable Length of Time to  
Settle With Him.

THEN THEY GO TO PROSECUTOR

Trustee J. V. Young expects the annual rush at his office by people desiring to avoid prosecution by paying their dogtaxes, to start any time now and the sooner the better. It was stated today that there are about 150 dogs in the city and township that are delinquent. The owners of these dogs neglected to pay the assessors for the license and it becomes the duty of the trustee to collect the money.

Trustee Young will not set a time limit on the payments, but will prepare the list of delinquent owners for the prosecutor. The owners will be given a reasonable time to settle and if this is not done prosecution will likely result. The tax is already delinquent, but the owners will be given a chance by the trustee.

## AUTOMOBILE HITS BUGGY; IS WRECKED

Edward Guttman's Machine Badly  
Damaged and Four Occupants  
Escape Unhurt.

ED GRUELL SLIGHTLY HURT

Edward Gruell, living east of the city, was slightly injured last night when the rig in which he was riding was hit by an automobile driven by Edward Guttman of this city. The collision resulted in the auto turning over but fortunately one of the occupants was injured. The accident occurred four miles east of the city.

It is understood that Guttman, who was driving the machine did not see the horse and buggy until too late to avoid the smashup. The other occupants of the machine, including Walter English, Scott Conde and Kaufman Wright were thrown clear of the wreckage. The auto was badly damaged.

## HOUSE COMMITTEE FAVORS "BIG NAVY"

Its Program Calls for Expenditure  
of \$180,000,000 in Fleet Con-  
struction Alone

ALSO FAVORS DISARMAMENT

Washington, May 18.—The house naval committee today adopted a "big navy" program for one year and at the same time went on record in favor of universal disarmament. The committee's program calls for expenditure of \$180,000,000 in fleet construction. The five year plan recommended by the secretary of the navy was knocked out but the number of ships recommended by the secretary is increased in almost every class.

In favoring universal disarmament the committee called on the president to do all within his power to bring about settlement of international dispute by arbitration.

## CAUSES CHARGES TO BE PRESSED NOW

Attack on Laurel M. E. Minister and  
Wife Results in Action in  
Cases Against Druggist

ACCUSED OF LIQUOR SALES

(By United Press.)  
Brookville, Ind., May 18.—While no formal charges had been filed here at noon today against W. E. Tyson, Laurel druggist and his wife, and Russel Tindell, Laurel liveryman Prosecutor J. A. Clifton of Connersville was ready to push the indictments brought against Mr. and Mrs. Tyson by the February Franklin county grand jury after an extensive investigation of alleged "blind tiger" activities at Laurel. Tyson and his wife will be brought to trial on the illegal liquor sale charge on Friday. It is said that half of the people of Laurel will be called as witnesses.

Though from several sources today came denials of yesterday's reported near rioting in which several shots were fired and the Rev. C. A. Whitsitt, pastor of the Methodist church, and his wife were attacked the report was verified by more than a dozen leading Laurel citizens. A number of persons today swore that the Rev. Mr. Whitsitt was attacked by Tindell and that Mrs. Whitsitt was assaulted by Mrs. Tyson. Manager Ray Goudie of the Laurel Telephone company was struck by a beer bottle in the Tindell livery barn.

Evidence submitted to the grand jury last February is said to have shown that 17 barrels of whiskey were shipped into Laurel after the town went "dry" last fall.

## DELIVERY HORSE RUNS AWAY

Spills Groceries All Over East  
Twelfth Street in Mad Flight.

One of the Benson Delivery System's horses ran away this morning in East Twelfth street, but no great damage resulted. Groceries were spilled along the street for a distance of two blocks before the horse stopped. The greatest trouble was in sorting out the orders following the runaway and the delivery was delayed.

## CLARK BOSTIC DIES TODAY

Expires at Sanatorium Before Second  
Operation is Performed.

Clark Bostic, 36 years old, died this morning at nine-thirty o'clock at the sanatorium, where he was taken last night from his home, south of Glenwood, for a second operation for stomach trouble. He underwent an operation last Thursday at his home. The second operation was not made owing to his weakened condition. He was a native of West Virginia, and had lived in the county for the past seven or eight years. He resided on the Charles Fulton farm. He is survived by his widow and four children. Brief services will be conducted at the late residence Friday afternoon and the remains will be shipped to West Virginia for burial.

## HORSE DROWNS IN 8 INCHES OF WATER

One of Team, Belonging to Ephriam  
Peck, Which Fell off Bridge  
Catches Head in Lines

DRIVER ESCAPES INJURY

A rather remarkable accident resulting in the drowning of a horse in six to eight inches of water occurred yesterday afternoon near Gowdy when Leonard Barlow, employed by Ephriam Peck, drove a team of horses over the side of a bridge spanning a small branch.

The horse that was drowned became fastened in some limbs and its head was held under water. Barlow was unable to extract the horse and the animal died before help could be called. The other horse was badly hurt. The team was a valuable one. Barlow, the driver, jumped from the wagon and escaped injury.

## LAST CHAPTER OF TRAGEDY ENACTED

Three Victims of William Dollar,  
Murderer-Suicide, of Macy,  
Buried Today.

SON BETTER; WILL BE BLIND

(By United Press.)  
Peru, Ind., May 18.—Side by side in the little country cemetery at Macy today were buried the four victims of the Dollar tragedy of Tuesday morning. The request of the murderer and suicide, William Dollar, to be buried by the side of his wife, who died two months ago and whose death is believed to have caused Dollar's mind to become deranged, was granted. By his side were placed the bodies of his three victims, his mother, Mrs. George Dollar, and his two daughters, Agnes and Ida.

The murdered-suicide's father, George Dollar, was the only member of the household of six persons who attended the funeral. The remaining son, George, may recover, it was said today, but he will likely lose his sight.

TO REORGANIZE FLEET

(By United Press.)  
Washington, May 18.—Following a conference between Secretary Daniels and President Wilson today, it was learned the Atlantic fleet will be reorganized and a new commander named to succeed Admiral Fletcher.

## TRIES 4 TIMES TO TAKE HIS LIFE

James Arthur Powell is Frustrated  
Each Time by Members of  
Family and Police

GUARDIAN ASKED FOR HIM

Purchases Rope at Hardware Store  
for Purpose of Hanging Him-  
self The Last Time

James Arthur Powell, an aged resident of this city, believed to be mentally unbalanced, attempted suicide, or at least made preparations for the act no less than four times yesterday and each time his plan was frustrated.

Mr. Powell resides at 312 West Second street and he is said to have been in failing health for some time. Not long ago application was made in the circuit court for the appointment of a guardian, but the petition has not been acted upon. It is believed that some action will be taken to place him under the proper care so that he will be guarded.

Mr. Powell seemed intent on taking his life. The final effort was made late yesterday afternoon when he purchased some rope at a local hardware store. Chief of Police Yakey was called by some relatives of Mr. Powell and succeeded in getting the rope away from him. It is stated that this was the fourth attempt of the day.

The first attempt came early in the day when Mr. Powell returned from Indianapolis with some rat poison, declaring that he was going to end his life. He had warned his family before making the trip to Indianapolis, but returned safely, bringing the poison with him.

During the day, it is stated that he attempted to hang himself by a strap in the loft of the barn. His actions for some time have caused the family no end of worry and his son-in-law, Omer Green kept a close watch on him. It was Mr. Green who notified the police, asking them to get the rope away from Mr. Powell.

## AMERICANS BODIES FOUND

(By United Press.)  
Marathon, Texas, May 18.—The bodies of three American mining prospectors, missing since the battle of Glenn Springs, have been found in the Big Bend desert country by a posse of cattlemen, according to William Sonsom, a rancher, who arrived from the border today. The missing men were Harris, Woodson, and Bosworth.

## Who's Who in Business?

Success in business comes through the application of good ideas and the tenacious pursuit of high ideals. The basic idea and the highest ideal of any truly successful business is service. Newspaper advertising occupies the place it does today because it has demonstrated its great capacity for service. It is a convenient method of which business may express its ideas and its ideals to the public. It is respected because it is respectable. It is of profit to the advertisers to the extent that they make their offerings of profit to the public. Glance over the advertising in today's newspaper and see what is going on in the business world.

## Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation. Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

## "The Misleading Lady"

IN FIVE ACTS

Adapted by H. S. Sheldon from the great stage success of Charles W. Goddard and Paul Dickey.

Never has a photoplay contained any more elaborate settings than does the Essanay's five-act feature, "The Misleading Lady." In one act alone there was \$22,000 worth of furnishings. Among the furnishings were an \$8,000 grand piano, a \$2000 harp, hand carved furniture and an abundance of oriental rugs, vases and tapestries.

**ADMISSION FIVE and TEN CENTS**

## TO MAKE SPEED IN ORGANIZATION

(By United Press.)  
Chicago, May 18.—The Republican National committee today paved the way for a speedy organization of the national convention here June 7 when Secretary Reynolds ordered delegates in all contested districts to appear before the committee on June 1 for settlement of contests.

The contested districts include seventeen in Georgia, twelve in Louisiana, one in Virginia, three in South Carolina, one in Missouri, two in Oklahoma, and two in the District of Columbia.

Reynolds declared he expected the convention to get under way speedily. Tentative programs have been arranged for only three days.

## ARMY'S NORTHERN MOVEMENT GOES ON

(By United Press.)  
Columbus, N. M., May 18.—The northern movement of the American troops in Mexico continued today. It is apparent that the major part of Pershing's army will be concentrated at Colonia, Durban, on the outskirts of Casas Grandes, 125 miles from the border.

Information regarding troop movements is being carefully censored here, but it is understood that the approach of the rainy season and the consequent difficulty of delivering supplies to the punitive expedition is at least one reason for the rapid concentration north of the original field base. A permanent camp is being prepared at Durban. Large shipments of lumber to Durban indicate that buildings to be erected there will be substantial enough for any conditions.

## SEEKS CLEW TO UNTANGLE MYSTERY

(By United Press.)  
Waukegan, Ill., May 18.—From the tangled clews in the death mystery of Marian Lambert, attorneys for William H. Orpet, on trial for her murder, sought today to comb new facts that would clear their client.

As one jury prospect after another was excused in the court room, where the trial was in its third day, lawyers and detectives for both defense and prosecution searched through Helm's woods, the scene of Marian's death, and invaded homes of Marian's schoolmates for evidence, more evidence, to prove conflicting theories of suicide or murder.

Capt. J. K. Gowdy is ill at his home in North Perkins street suffering from asthma.

An exchange will be given by the Little Hustlers' class of the Methodist Sunday School Saturday morning in the Wilcox Five and Ten Cent store.

## "Corns All Gone! Let's ALL Kick!"

Every Corn Vanishes by Using Wonderful, Simple "Geta-It." Never Fails. Applied in 2 Seconds.

Isn't it wonderful what a difference just a little "Geta-It" makes—on corns and calluses? It's always right somewhere in the world, with many

"Wheel! I Don't Care! I Got Rid of My Corns With 'Geta-It'!"

folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plaster bandages, tape and contraptions—and the "holler" in their corns goes on forever! Don't you do it. Use "Geta-It." It's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stockings, hurt or irritate the toes. Pain stops. Corn comes "clean off," quick. It's one of the gems of the world. Try it—you'll kick from joy. For corns, calluses, warts, bunions. "Geta-It" is sold everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Rushville and recommended as the world's best corn remedy by Fox Bros. Drug Store, Hargrove & Mullin and F. E. Wolcott.

## Our Duty in Mexico.

It is inconceivable that any true American could want war for war's sake. We are not that kind of a people, and our interests do not lie in that direction. But we are confronted with a situation in Mexico which is calculated to exhaust the patience of any person with an ounce of red blood in his veins.

It is time for us to stop quibbling and do some real acting.

Our states bordering upon Mexico are raided with impunity by the outlaws and cutthroats who infest the northern section of that country. Our citizens are murdered or outraged and their property stolen or destroyed. The defacto government of Mexico is not only powerless to prevent these forays but we have every reason for the belief that the authorities are making no effort whatever to check them.

Every American city or town on the border is in constant danger of invasion by the bandit followers of the Mexico leaders. No home is safe from the destroyer, no feminine heart is ever devoid of constantly increasing fear of the brutal ravisher.

Under these conditions the duty of the United States is clear.

The citizens of our border states are our own people, they are our own flesh and blood, and their interests are our interests. They are entitled to the protection of the whole nation, and as a nation it is our duty to afford them that protection.

The government of Mexico will do nothing. It therefore is up to us to do something.

We have waited for five years for the restoration of law and order in Mexico, and conditions are infinitely worse today than they ever were before. The future holds out no hope of anything but unlimited and unbridled brigandage, an impossible condition for this country to longer tolerate because of the constant menace to our own people and to our own interests.

A sufficient force of American troops should be sent into northern Mexico to restore normal conditions throughout that whole region, and another force should be sent to the border to afford ample protection to the people of these states.

General Funston has asked for 50,000 National Guard troops. He should have the whole 129,000 members of the National Guard. And if they are not enough for the service required, then volunteer regiments should be raised to supply his demand.

And if the Mexican government and the Mexican people do not like such action, and offer any united opposition to the cleaning up of this territory, then a great volunteer army of half a million of even a million men should be spread over that country like a blanket, and not a man should be withdrawn until every bandit has been hung or driven from the country, law and order restored, a stable government established, and the Mexican people themselves demonstrate their ability to govern themselves in a manner acceptable to other nations.

We do not covet a foot of Mexican territory. We do not want any trouble with Mexico if it can be honorably avoided. But conditions in that republic have reached the state where nothing but American bayonets and shot and shell will be of the slightest avail.

They should get it, and without an unnecessary hour of delay. And they should get it in such quantities and with such force as to forever breed a wholesome respect and fear in the heart of every Mexican for the power and might and justice of the United States.

It is reported in Washington that the White House would like to see Samuel Undermyer receive the Democratic nomination for Undermyer is a most deserving Democrat. No

man in the country—unless it is Col. House—has rendered larger or more welcome personal service to the President than Mr. Undermyer has. But whether the Democrats of New York and the voters of that State will think themselves bound to pay the President's debts by political preferment is at least doubtful.

## HUNDRED LEADING HOOSIERS

George Washington Ewing.

An Indian named after the Father of His Country was largely instrumental in the discovery of Francis Slocum, the lost white girl. This was George Washington Ewing, born in 1803 of one of the leading pioneer families of Indiana, Michigan and Ohio. As a boy Ewing formed a friendship with the Indian tribes of southern Michigan and northern Indiana which in later life served him well in his efforts to find Francis Slocum and in arranging a treaty with the Miami tribe.

Ewing settled at Fort Wayne in 1828. Two years later he became one of the proprietors of Logansport. After living seven years in Logansport he moved to Peru where he also was a pioneer. He died in 1851.

## LOCAL WOMEN HAVE PART ON PROGRAM

Will Participate in 25th Annual Meeting of District M. E. Missionary Society

TO BE AT COLLEGE CORNER

The program has been announced for the twenty-fifth annual meeting of the Woman's Home Missionary Society of the Methodist church, which will be held at College Corner, Ohio May 22 and 23. Mrs. R. C. Hargrove of this city is president of the society. On Monday afternoon at two o'clock, when the sessions open, devotions will be led by Mrs. E. M. Michener of Connersville. Mrs. J. W. Holland of College Corner will deliver the address of welcome and Mrs. Hargrove will respond. The principal event of the afternoon will be an address by Mrs. A. B. Storms of Indianapolis, conference president. Mrs. W. M. Whitsitt of this city will conduct the Quiet Hour following the address. At the Monday evening session, Miss Jessie Murphy of Glenwood will sing a solo.

The main address of Monday evening's program will be "Our Young People," delivered by Mrs. A. C. Hawn of Indianapolis, conference secretary of young people's work. Tuesday morning will be devoted to business and Tuesday afternoon to a meeting of district officers. Besides Mrs. Hargrove, Rush county is represented in the district by Mrs. J. H. Link of Glenwood, who is recording secretary; Mrs. John Jordan, of this city, secretary of literature, and Mrs. Ethel Fielding of Glenwood, who is secretary of mite boxes.

## CANNERS OF STATE MEET

Discuss Effect of War on Farmers of Indiana.

(By United Press.)

Indianapolis, Ind., May 18.—Is the European war affecting the farmers and produce growers of Indiana? This was the question under discussion at the Indiana Cannery Convention here today. The warring nations are demanding millions of cans of food for the armies in the trenches which is causing a heavy drain on the canners of the state and this drain will be felt when they arrange for their seasonal packs. H. E. Barnard, state food and drug commissioner, is to deliver the main address of the meeting and will talk on "Canned Goods as Food."

Goodyear tires are the result of years of careful experiment. As near a perfect tire as can be produced. Large and well assorted stock at Hayden's.

## TURKEY RUN SOLD AT AUCTION TODAY

Commission Appointed by Governor

Hopes to Obtain Land For State Park Site.

KNOWN AS JOHN LUSK LAND

(By United Press.)

Rockville, Ind., May 18.—Turkey Run, one of Indiana's most beautiful scenic places, today went under the auctioneer's hammer. An attempt was to be made to purchase the tract with publically raised funds and to turn it over to the state as a state park. For more than a year a commission appointed by Governor Ralston composed of W. W. Woolen of Indianapolis, Miss. Vida Newsom of Columbus, and Mrs. Juliet V. Strauss of Rockville have been working on plans for the preservation of Turkey Run. In cold legal terms the tract is known as the John Lusk land but to the people of Indiana who have visited it by thousands it is known as Turkey Run, a name that has passed down through the years because of a tradition that a great flock of wild turkeys once gathered there.

## ANTIDOTE FOR BICHLORIDE.

Cincinnati, May 18.—The discovery of an effective antidote for bichloride of mercury poisoning is announced by Dr. J. H. Wilms, and endorsed by city health officers; and our despondents may now be deprived of their favorite method of committing slow suicide. The remedy consists of calcium sulphite, given intravenously grain for grain, of the poison taken; one grain of calcium sulphite to one ounce of water within 48 hours after the poison has been taken.

## FORM SCOTTISH RITE CLUB.

(By United Press.)

South Bend, Ind., May 18.—One of the largest Scottish-Rite clubs in the county was being formed here today. Scottish-Rite Masons from twenty-two cities and towns of Northern Indiana and Southern Michigan represented by more than 200 members will form the club.

## I. U. IS HOPEFUL.

(By United Press.)

Bloomington, Ind., May 18.—Ohio State and Indiana were scheduled to meet in baseball here this afternoon. Having broken even on the Northwestern-Illinois trip last week, the Hoosiers were hopeful of defeating the Ohio State team.

## PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

## HIGH SCHOOL GRADUATES

There is nothing which adds more attractiveness to your commencement invitation than your name card which accompanies it. We have many samples which you may choose from, including the latest panel card.

We represent the best engraving and embossing company in the United States, and will be pleased to show samples of Monogram stationery, correspondence cards, business announcements, calling cards, invitations, wedding announcements and invitations, birth and death announcements, letterheads and envelopes—anything in the printing line.

## The Republican Co.

## LOCAL DELEGATION TO ATTEND MEETING

Business Men Prepare For Session

at Shelbyville, Similar to One

Held Here

SPECIAL PROGRAM ARRANGED

The local Business Men's association is planning to send a large delegation to Shelbyville June 14 to attend the sectional conference of the associations in this district. A similar meeting was held here some time ago.

The Elks lodge of Shelbyville will observe Flag day on this date and the visiting delegations have been asked to participate in the parade. The Elks will present a large flag to the City of Shelbyville. The local Elks have been invited and it is more than likely that a large number will accompany the merchants to Shelbyville.

### WAR ODDITIES.

London, May 18.—Sir William Lever has accepted a bet of 50 pounds to a penny (about \$250 to 2 cents) that labor will be worth not exceeding 20 marks (about \$5) weekly in Germany 18 months after the war.

Amsterdam, May 18.—"Maybe a majority of Germans would welcome Prussian militarism's disappearance," said the Nieuws Den Dag, commenting on Premier Asquith's declaration that that's what the allies are fighting for.

### LONG DISTANCE TRACK.

Columbus, O., May 18.—Ohio State University, Colby and Colgate track squads are engaged in a novel triangular meet at long distance.

For some time athletic directors of the three schools have been keeping the records of groups of their athletes in each event. The best mark each man makes in a year's competition is considered his mark for the year and the average of the entire group in that event is taken and courts as the mark of the institution for that event.

It will take all summer to determine which school has won the meet.

## DISCUSSES HER FAVORITE TOPIC

Mrs. Margaret Sanger Delighted

With Her Stay in Indianapolis

and Talks Birth Control

CITES HOLLAND AS EXAMPLE

Resents Implication That She is

Connected in Anyway With

Miss Emma Goldman

(By United Press.)

Indianapolis, Ind., May 18.—I am delighted with the reception which I received in Indianapolis and from the people of Indiana. I have found them fully as receptive toward birth control as the communities of the east where information on the movement has been more widely circulated.

This was the way Mrs. Margaret Sanger, New York City, foremost advocate of birth control, summed up her three-day visit in Indianapolis for the United Press today just before leaving for St. Louis. From St. Louis Mrs. Sanger will go to the Pacific coast in her tour to impart information on birth control.

A small demure woman with a soft voice, quiet eyes with a slight twinkle, and dressed neatly in accordance with the prevailing styles, is Mrs. Sanger, the woman who through indictment by the Federal Grand Jury in New York became one of the most widely known women in the country. Indeed Mrs. Sanger is a type of the profession she followed for fourteen years—that of nursing.

"I do not wish to be connected in anyway with Emma Goldman," emphasized Mrs. Sanger. "While some of the things advocated by Miss Goldman are similar to those which I uphold yet Miss Goldman has her ideals and I have mine."

"Birth control," she continued in her logical manner of speaking, "is not a new thing. It really is a very old practice. Today Holland has taken it up the most widely and there are 152 clinics and dispensaries where information concerning the prevention of conception can be secured. In Holland birth control, even has been recognized by the state as a public utility."

"The essence of my teaching is this: Not more babies but better babies. As I see it, the menace to our civilization is not the stationary birth rate of our upper classes but the steady increase of children in poor families. Three hundred thousand babies die in the United States every year from poverty and neglect while 600,000 parents remain in ignorance as to how to prevent 300,000 more babies coming into the world next year."

"I am glad that Indiana is among the states which have no laws prohibiting the dissemination of information for the prevention of birth control. I believe through my conferences during the past three days and with aid of your laws that the movement will have a rapid growth in Indiana."

I recently replaced with new Good-Years a set of old ones that had given the owner nearly 7,000 miles of service. With proper care yours may do as well. Get them at Gunn Haydon's. 5613.

### NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Commissioners of Rush County, Indiana, will receive sealed bids at the County Auditor's office in Rushville, Indiana, up until 2:00 o'clock p. m., on

MONDAY, JULY 31, 1916,

for the construction of a new roof for the Court House at Rushville, Indiana.

Said roof to be constructed according to plans and specifications now on file in the County Auditor's office, Rushville, Indiana, and also on file in the office of the Architect, Charles E. Working, Richmond, Indiana.

Bids must be accompanied by bond as by law required. Samples of tile must be submitted with the bid. The successful bidder will be required to guarantee the workmanship and material used in construction for a period of two years from the time of completion of the work.

At the same time the Board will receive and consider bids for the repair of the roof and tile in the office of the County Auditor at least ten days prior to July 31, 1916. The Board reserves the right to reject any and all bids.

Witness my hand and seal this 13th day of May, 1916.

ALLEN R. HOLDEN, Auditor Rush County, Indiana.

May 18-25-June 1-5-15-22

### Scale Books.

We have a new supply of scale receipt books, large-size only containing 500 receipts. The Republican office.

## Amusements

Patrons of the Princess theater will get a little extra fixin's tonight when they see "The Voice of the Violin" because appropriate music will be furnished by an Edison Diamond Disc Phonograph. Tonight's program will also offer Mary Anderson and William Dunn in a powerful three-act drama, "The Human Caudron." It is a story of big city life. Rose Melville, the original Sis Hopkins, will be seen in her latest impersonation of that well known character in the film, "She Came, She Saw, She Conquered." "The Misleading Lady," in which Henry Walthall and Edna Mayo are the stars, will be the offering for tomorrow night. Walthall plays the part of Jack Craigen, a role wholly new to him. As the play develops, he changes slowly from the conventional man, very thoughtful, slightly moody and extremely distrustful of women, into a polished brute, consumed by the flames of a desire which is the stronger for being repressed for so long a time. Walthall in the photoplay, has become identified with the characterization of a dignity, tinged with thoughtfulness and often verging on melancholy. He is the poet of the screen and the portrayer of poetic emotions. Big things, elemental things, patriotism, idealized love, sacrifice, ambition of the MacBeth type, those are the things which Henry Walthall has pictured in the past.

"The Hand of the Law," in three acts, will be shown at the Mystic tonight. Such stars as Bigelow Cooper, Edward Earle, Bessie Learn, William Wadsworth, Jessie Stevens and Nellie Grant will be seen in this production. Supporting it will be a one-part comedy, "Half a Million," featuring D. L. Don. A four-act feature story, "The Glory of Youth," will be shown tomorrow. The story winds about a young dancer, an athlete and a deformed and crippled millionaire. Inez Bauer plays the part of the dancer.

The Gem offers the third episode of "The Iron Claw" for the first picture tonight. This one is entitled "The Cognac Mask." Pearl White is featured as usual and this is said to be one of the most exciting of the entire series. The other picture is a comedy "Skylight Sleep." Tomorrow the two-part drama "The Trail of the Wild Wolf" will be shown. Paul Panzer and Edith Roberts are featured.

"All Aboard the Magic Carpet," is the title of an educational and dramatic film of 1,500 feet describing the uses and advantages of American Banker Association checks, which will be shown at the Princess theater tonight.

### NOTICE TO PROPERTY OWNERS.

Rushville, Ind., May 16, 1916.

To Whom It May Concern: Notice is hereby given by the common council of the City of Rushville, Indiana, that on the 16th day of May, 1916, they approved an assessment roll showing the "prima facie" assessments for the following described public improvements as authorized by Improvement Resolution No. 49.

Said improvement is intersected by the following streets and alleys: The improvement of the north side of Eleventh street from Main street to Willow street, by constructing cement walk and grading lawn.

Persons interested in, or affected by said described public improvement, are hereby notified that the common council of said city has fixed June 8th, 1916, as a date upon which remonstrances may be received or heard against the amount assessed against each piece of property described in said roll, and will determine the question, as to whether such lots or tracts of land have been or will be benefited in the amounts named on said roll or in a greater or less sum than named on said roll.

Said assessment roll showing said "prima facie" assessments with the names of owners and description of property subject to be assessed, is on file and may be seen at the office of the City Clerk.

CARL L. GUNNING, City Clerk.

May 18-25

## SCRATCHED 10 YEARS — HEALED IN ONE WEEK.

Finally Cured by Using One Dollar Bottle of Amolox

One bottle of Amolox cured me. For ten years I suffered with eczema of the scalp, my head being covered with scales and scabs. I tried everything advertised without relief until I bought a bottle of Amolox. It relieved the itching at once and one bottle entirely cured my eczema. I heartily and cheerfully recommend it to all sufferers of this horrible disease.

James W. Seward, Brazil, Indiana. Amolox ointment will quickly remove pimples on the face, blackheads, and clear up a mucky complexion. Trial size, 50c. Bad cases of eczema, psoriasis, salt rheum, tetter, lasting for years, require both Amolox solution and ointment to effect a cure. Recommended and guaranteed by Hargrove & Mullin. (Advertisement)

### EYE, EAR, NOSE AND THROAT

GLASSES FURNISHED DR. F. E. HACKLEMAN

## VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santal Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santal Remedies Co., 802 Madison Ave., Covington, Ky.

## Affairs In The Social World

Edited by Miss Frances Frazee  
Phone 1111, 3 rings

### Social Calendar

#### Friday

Thimble Club, with Mrs. F. G. Hackleman at 515 North Morgan street, in the afternoon.

Mahoning Council at Red Men Hall, in the evening.

Mahoning Council, number 36, will have the regular meeting in the hall tomorrow evening. Inasmuch as there is to be nomination of officers for next year, a large attendance is desired.

The members of the Classes of the Christian Sunday school taught by Carl Webb and Donald Alexander are to meet at the church tomorrow evening at 7 o'clock. From there they will go to the Alexander farm for a weenie roast to be given for the classes.

#### "500" CLUB

The members of the Five Hundred Club were the guests of Mrs. Lou Weeks in North Willow street last evening. The usual interesting card games were enjoyed at the conclusion of which, ice and cake were served by the hostess.

#### BAND OF WORKERS

Twenty-five members of the Band of Workers met at the home of Mrs. Douglas Morris yesterday afternoon for their regular business and social meeting. Several business matters were discussed, after which the hostess, assisted by Mrs. Harvey Allen, served a delicious collation.

#### PENNY SUPPER

A delicious supper, every number on the bountiful menu of which was tempting, was served by the Watson Class of the St. Paul's M. E. church at the Penny supper given last evening in the church parlors. Over sixty dollars were cleared from the supper and candy stand. The members of the class also served a fifteen cent dinner this noon at the church, which was equally good.

#### INFORMAL PARTY

Mrs. J. T. Arbuckle entertained several friends very informally last evening at her home in East Seventh street. The evening was pleasantly spent, during which light refreshments were served. The guests of Mrs. Arbuckle were Mrs. Belle Casand, Mrs. Norm Norris, Miss Elsie Bohannon, Miss Anne Cochran, Miss Kate and Miss Mary Shuck, Miss Laura Caldwell, Mrs. W. L. Niles, and Mrs. Lucinda Caldwell.

#### D. T. CLUB

With Mrs. Theodore Abercrombie Jr., of East Ninth street as hostess, the members of the D. T. Club spent a delightful afternoon together yesterday. A huge bouquet of snowballs graced the living room in which the guests spent the afternoon over their needlework. A lovely bouquet of pansies was in the center of the dining table, which was prettily set with mats and at which the guests enjoyed the service of a delicious luncheon. The next regular club meeting will be held at the home of Mrs. Bruce Beck in two weeks.

#### YELLOW AND WHITE PARTY

Dainty in all of its appointments was the pretty little bridge party given by Miss Estelle Jones yesterday afternoon for the members of the Bridge Club. Huge bunches of bridal wreath were in the living room where the guests spent the afternoon in playing cards, while Aaron-Ward roses were the yellow flowers used. When invited into the dining room, the guests were greeted by a pretty picture. A large bouquet of yellow flowers was in the center of the table. Aaron-Ward roses were at each of the places which were marked with place cards decorated with a yellow rose. In this delightful environment, a tempting luncheon was served. The guests were Mrs. Chaucery Duncan, Mrs. Claude Cambren, Miss Mary Amos, Mrs. Will Frazee, Mrs. Albert Capp, Mrs. Rich Reed, and Miss Bertha Helm. The close of the card games awarded the honors to Mrs. Chaucery Duncan. The next club meeting will be held with Miss Bertha Helm.

#### PHI DELTA CONVENTION

The enthusiasm and interest that always characterizes fraternity conventions is already being felt here by the local chapter of Phi Delta Kappa in anticipation of the convention to be held in Lafayette June 21, 22 and 23. The chapter is just completing what is said to be the most successful year financially and socially, that the fraternity has enjoyed. Thirty regular business meetings have been held during the year and the funds realized from eight dances which the chapter has given have added materially to the treasury. Twenty-five active members constitute the chapter, which holds all its gatherings in the club rooms that the chapter has had for the past 18 months.

Practically the entire membership is planning to attend the convention. Those who have signified their intentions definitely to attend are Robert Vredenburg, Jack Knecht, Harold Pearce, Harold Beaver, Dale Fisher, and Will Carter.

Another social feature which is to be purely a Phi Delta Kappa affair is the picnic and dinner-dance to be given in Newcastle Saturday. Several members from this city are planning to motor to Newcastle for the event.

Final arrangements for the entertainment of the members of the fraternity are rapidly nearing completion and the entire program of the three days is finished. The Lafayette fraternity men are endeavoring to outdo all other annual conventions of the fraternity, and from the program and the estimates of attendance from the forty active chapters it looks like they will make good. As a result of literature sent out by the Lafayette Chapter the enthusiasm is increasing among the members in each Chapter town and the candidates for national offices are opening their campaigns with bundles of literature. Preparations include entertainment for the officers, delegates and members and also for the members' wives and ladies, and there are to be no "wall flowers" at the convention.

The fraternity is entering what promises to be one of its most successful years, and the election this year will be waged along the lines of what candidates will likely give the best and most service during, next year. The reports of the Secretary this year will show a greater amount of money in the treasury than ever before and the members of Chapters greater in number.

#### JUNIOR-SENIOR RECEPTION

On such a night as last evening for one to step into a refreshing outdoor scene radiating spring would seem impossible; however such was the case for the guests of the reception given by the members of the Junior class for the graduating class, when they entered the Graham Annex gymnasium. It had been created into a rustic and beautiful woodland scene and all traces of a gymnasium had been cleverly hidden. Covering the bleachers and surrounding the room was a line of small trees, not branches, but trees standing upright as if they were growing there. About a dozen porch swings hung amid these and in the center of the room, where green rugs were placed about on the floor. Rustic and wicker furniture was arranged in groups for the comfort of the guests and in the midst of this were pedestals on which huge bouquets of spring flowers and ferns were placed. In one corner of the room, a vine covered well-house stood. The well in it, however, contained delicious punch which was served by Letha Higgins and Reba Beale. The well was covered with greenery and flowers and to complete the effect, the refreshing drink was served in tin cups, a line of them hanging along nearby. The soft glow from the Japanese lanterns which hung low over the scene and gave the only light completed the effect which was made even more attractive by the pretty young girls, each in a lovely new summer frock, all in pale and harmonizing colors.

And over all this, floated soft and sweet strains from the harp and violin, making the atmosphere one of complete delight.

Upon entering the guests were received by Miss Harriet Smith, president of the class; Paul Newhouse, vice-president; Miss Nola Roth, secretary; Ralph Martin, treasurer, and Miss Hermoine Hughes, Miss Mary Louise Bliss, Miss Louise Poe, and Arthur Fry, the last four being representatives from each of the committees who had the affair in charge.

During the course of the evening a short program was given by Miss Frances Frazee, composed of comic readings, monologues to the harp music, and readings containing local hits on the members of the two classes. For the latter ones, Miss Frazee was accompanied by Miss Louise Poe on the piano. Several numbers by Montani, the harpist, and a violinist were given on the program. They completely captivated their hearers, by the masterful way in which they rendered their well chosen selections. A short introduction by Dwight VanOsdel preceded the program.

Later in the evening, the guests were invited up to the mezzanine floor, for indeed such it was, all traces of the running track having been hidden with lovely floral decorations, a complete line of ferns surrounding the balcony effect, and small tables decorated in the senior colors arranged about it, so that they overlooked the lovely rustic scene below. Strips of pink and green crepe paper crossed on the tables, pink candles on the tables, roses, in bud vases, and candy holders at each place in the form of a rose brought out the colors of the class. Pink brick ice-cream and individual cakes iced in white and green were served. During the serving of this refreshing collation, Miss Mary Louise Bliss and Miss Louise Poe wound in and out among the tables and with beautiful solos fur-

**THE MAUZY CO.**

nished cabaret music. Throughout the serving the lovely harp music was continued. The members of the Junior class in charge of the serving were the Misses Marie Clark, Esther Anderson, Sylvia Mullins, Gertrude Wilkinson, Harriet Smith, Valeta Walton and Mae Gray.

They were assisted in serving by Josephine Scholl, Janet Dean, Phyllis Casady, Jean Sparks, Helen Thomas, Florence Flechart, all of whom were prettily attired in chic summer frocks.

The guests included the members of the Junior and Senior classes, the members of the faculty and the members of the school board and their wives. The great success of the reception was due to the harmonious way with which the entire membership of the entertaining class united in the preparation for it and the competent aid of the sponsors for the class who are Miss Kate Dennis, Miss Nelle Baldwin, Charles L. Brosey, and Ralph L. Cullipher.

About fifty women called at the gym during the afternoon to admire the decorations and the callers continued until the affair began last evening.

### MISCELLANEOUS

SOUND PURE BRED STALLION—Ingenieur 5273 Certificate of Enrollment No. 1429. Imported Belgian draft stallion, the best type of Belgian draft ever in Rush county. He is chestnut in color, has a stripe and some white, silver mane and tail. He is a stallion of extra quality and bone, in fact, one hard to excel in weight, bone or other qualities. He is a show horse, a sure breeder and a great sire. He has never beaten in a show ring, even at the International Stock Show at Chicago Illinois, he beat thirty head, which was the biggest show of two-year-olds in the United States. He will be limited to a number of mares at \$15.00 to insure.

NOTICE—These horses will stand at the terms stated and persons parting with their mares, service fee becomes due at the time such sale is made, unless released by said W. A. Jones.

For further particulars see. W. A. JONES, Rushville, Ind. 812mo.

LAWN MOWERS—ground, repaired and sharpened. Called for and delivered. The Madden Brothers Company. Phone 1632. Apr. 15 2 mo.

I have typewriter ribbons for any machine made; all standard length, any color. 50c each. Louis C. Hiner, at the Republican office. 1f

## CLASH IS LIKELY AT CONVENTION

Radical and Conservative Elements of Presbyterian Church Mixed in Controversy

### ACTION AGAINST NEW YORK

Alleged That This Presbytery Has Violated Terms of Resolution Passed Last Year

(By United Press.) Atlantic City, May 18.—The long expected clash between the radical and the conservative elements of the Presbyterian Church is likely to develop at the 128th General Conference, which began here today, from the action of the Presbytery of Cincinnati demanding that the New York Presbytery be cut off from membership in the General Assembly.

A resolution was adopted at the last General Assembly requiring that presbyteries admit no candidates who were graduates from theological seminaries considered heterodox in their teachings.

The action of the New York Presbytery in licensing three graduates of the Union Theological Seminary of New York, against which this resolution was really directed is regarded as a direct challenge by the conservatives.

The Union Seminary, although some of its faculty are members of the New York Presbytery, has no connection with that body. The other theological seminaries of the Presbyterian Church are under the care of the various presbyteries in whose boundaries they are situated.

One of the conservative strongholds, although there is a large liberal element there, is the Presbytery of Cincinnati. Under its care is the Lane Theological Seminary, long a citadel of orthodoxy. Other presbyteries where the conservatives are strong are Chicago, where McCormick Theological Seminary is situated, and Pittsburgh, which is sponsor for the Western Theological Seminary.

The feeling between the New York Presbytery is especially strong because within the territory of each is a seminary which represents the two elements in the Presbyterian Church.

One of the leaders in the Presbytery of Cincinnati is the Rev. Dr. William McKibbin, the head of Lane Theological Seminary. He was the prosecutor of the Rev. Dr. Henry Preserved Smith, accused of heretical teachings, a brilliant theologian who left the uncongenial surroundings of Lane and is now connected with Union.

The fight is on between Lane and Union, between the West and the East, between conservatism and radicalism.

Owing to the delicacy of the situation delegates to the General Assembly at Atlantic City decline to speak for publication concerning it, but do not conceal that they expect a battle in the conclave. Whether or not New York Presbytery will be forced out of all relations with the assembly remains to be seen.

The indications are that the conservative forces will prevail and that they will at least succeed in passing a vote of censure upon the New York Presbytery for having licensed three graduates from an institution under the ban of the conservative wing.

If the New York body is cut off there are many who think it means that all its property will go too. This means that the Presbyterian Church will lose more than \$21,000,000. The church buildings alone are valued at \$18,220,598. The Extension Committee represents more than \$2,000,000 and the Trustees of Presbytery control more than \$1,000,000. If this transpires the Boards of the Church will lose benevolences of more than \$1,500,000 annually. The total benevolences last year were \$1,574,803.

## RUSH COUNTY BOY WINS HIGH JUMP

Eliff B. Staples of Richland Township Takes Down Honors at I. U. Freshmen Meet

### HOLDS INDOOR RECORD ALSO

Eliff B. Staples, son of Mr. and Mrs. B. F. Staples of Richland township, who is a student in Indiana university, recently won the running high jump in the Freshmen meet which is held annually. His record was five feet and five inches.

This year the wind was strong and rough conditions of the track impeded the progress of the contestants to a great degree.

It is also noted that Mr. Staples holds the indoor gym record of five feet and seven inches and has a high average in the all around gymnastic competition that is now in progress. It is predicted that he will easily secure the fourth or fifth prize of the eleven that have been offered.

## DISAPPROVE OF CHEAP PATRIOTISM

National Sons of American Revolution Demand Respect For Flag and National Music.

### DEPLORE BID FOR APPEAL

(By United Press.) Newark, N. J., May 18.—The orchestra that makes a last desperate bid for applause by banging out the "Star Spangled Banner," the band that medleys "My Country 'Tis of Thee" with ragtime, and the vaudeville act that closes with a tremendous flapping of the American flag will all be under the ban, if the National Sons of the American Revolution, have their way.

Members of this organization, all sons of the men who achieved American independence, plan a campaign for laws in all the states and territories against such performances. It is part of their effort to bring about a "more dignified and reverent" attitude toward the Fathers of the Republic.

A campaign to educate aliens in the history and spirit of the American nation also is under way.

## OLD ROMANCE IS REVIVED

Vincennes Centennial Pageant Attracts Large Crowd.

### (By United Press.)

Vincennes, Ind., May 18.—The romance that surrounded the old French fort of Vincennes and centered about "Alice of Old Vincennes" was revived today when the modern Vincennes began the celebration of Indiana's centenary. The celebration will be known as the "Pageant of Vincennes" and will be enacted on the banks of the Wabash in a setting of great natural beauty. The pageant will be in charge of George S. Cottman of Indianapolis and the drills will be under the direction of H. Hardin, also of Indianapolis. Several thousand visitors were expected here today and tomorrow.

If you wish beautiful, clear, white clothes, use Red Cross Ball Blue. Large 2oz. package 5 cts.

### Paint-Up With "Green Seal"

Until you've tried it, you have no idea how a coat or two of Hanna's Green Seal Paint will beautify and preserve your property. It makes everything look bright and new.

It spreads smoothly, covers all surface defects and dries with a glossy finish that wears through all kinds of weather. It has given good results for 27 years.

## FIRE MARSHAL TO ASSIST CITIES

State Executive Will Help Enforce Ordinances, it Has Been Demonstrated in Some Cases.

INSTANCE ARE RECITED

Also May Enforce City Laws Dealing With Shortage of Combustibles and Explosives.

That cities can secure assistance from the State of Indiana in the enforcement of city fire prevention ordinances has been demonstrated in numerous cases recently in which aid for the State Fire Marshal has been invoked by local municipal authorities charged with that duty. In one Indiana city, a property owner who had complied with an order of the Fire Marshal to remove a dilapidated building, began to replace the old building by the erection of a frame shed within the fire limits. This constituted a violation of the city fire limits ordinance and in response to a request from this city, the State department ordered the owner to tear off the frame siding and shingle roof on the new shed, and to replace these with metal. This second order, issued to secure compliance with the city ordinance, was obeyed by the owner.

In another recent case involving the same situation, a property owner was in the process of erecting a frame garage inside the fire limits of the city, in the rear of his mercantile establishment. After investigation, the State Fire Marshal ordered the frame part of the new building replaced with metal, which order was complied with by the owner.

The State Fire Marshal law gives the department power to enforce the ordinance of the several cities and towns in Indiana dealing with the prevention of fires and with the storage of combustibles and explosives. This power has been invoked to protect patrons of motion picture shows from the fire hazard connected with the handling of inflammable picture films. Failure to obey city fire ordinances subjects the law violator to prosecution. In the majority of cases where ordinances being disregarded it is necessary only to call the violation to the builder's attention to secure compliance.

In one Indiana city while three laborers were tearing down a building condemned by the Fire Marshal, a treasure box was uncovered containing eighty silver dollars, all bearing the date of 1865, a gold ring and two pennies. This money amply paid for the work of removal of the dilapidated property. The only regret attaching to the incident on the part of the Fire Marshal lies in the failure of his deputy to discover the money box while making the inspection.

## SAVES HOUSE OUT OF THE CITY LIMITS

Fire Department Lays 1,200 Feet of Hose in Order to Put Out Blaze at Rill Home

FIRE LOOKED TO BE SERIOUS

The fire department was called to the home of George Rill in West First street near Hodge's branch last night, shortly before six o'clock, and succeeded in putting out what promised to be a serious blaze. The Rill residence is outside of the city limits, but the department, by using 1,200 feet of hose, reached the house.

The fire, starting from a spark dropping down from the flue, was confined to the roof. One side of the roof was damaged and the loss was estimated at \$100. The property is owned by Willard Brown and is fully insured. The Rill family suffered a slight loss from water damage.

## NAMES MEMBERS BOARD OF REVIEW

Judge Sparks Appoints Samuel Young and George H. Havens to Act With County Officials

TO BE IN SESSION 20 DAYS

Two Account Suits are Heard in Court—Jessie Winship Asks Divorce From Earl Winship

Judge Sparks today appointed Samuel Young and George H. Havens members of the board of review for the coming session. These two men together with the county auditor, the county treasurer and county assessor make up the board. The session this year will last only twenty days as this is not the year to assess real estate. The board meets the first Monday in June.

The court heard the case of Henry Hackman against Elijah Hankins on an account, in which \$200 was demanded and took the case under advisement. Some of the bills introduced in evidence went as far back as 1909 and 1910.

By agreement the court found for Atwell and Sidney Morgan against Dora Gwinup, giving a judgment for the plaintiffs in the sum of \$114.84. The suit was on an account and the original demand was \$150.

Mrs. Jessie Winship filed suit for divorce late yesterday afternoon from Earl B. Winship, asking the custody of their child and alimony in the sum of \$5,000.

Mrs. Winship alleges cruel and inhuman treatment and states that he frequently beat, struck and wounded her. She claims that at

times he drank intoxicating liquors to excess and gambled away his earnings. The complaint states that they were married February 22, 1903 and separated May 4, 1916.

Mrs. Winship asks for the custody of their daughter, Mary Elizabeth, and prays the court for \$5,000 alimony and support money for the child. The plaintiff is represented by Tindall and Tindall of Greenfield and John A. Tittsworth of this city.

DISCUSS CAMPAIGN PLANS.

Indianapolis, May 18.—General plans for the coming campaign were outlined today at an all day conference of all the democratic county chairmen and secretaries of county committees at the West Shore Club here today. Members of the state committee and all the state candidates were in attendance at today's meeting.

DILLON A FAVORITE.

Indianapolis, Ind., May 18.—Interest among fight followers here today centered around the Dillon-Flynn ten-round go at Chattanooga tonight. Betting was strong on the Indianapolis' - Frankfort fighter though Porky Flynn is credited with a win over Fred Fulton, the Minnesota heavyweight, in New Orleans recently.
